

How do I know if a Course is SCECH Approved through GRCC?

1. GRCC's SCECH Approved courses are listed in the State of MI's SCECH catalog at <https://mdoe.state.mi.us/MOECs/ProfessionalLearning/Reports/Catalog>
2. GRCC's SCECH Approved courses have Section numbers listed
3. GRCC's SCECH Approved courses cost \$119
4. "(SCECH)" is in the course title of SCECH approved courses

What do I do if I registered for a non-SCECH approved course?

Contact us at workforcetraining@grcc.edu or (616) 234-3176 to be dropped/refunded immediately. Do NOT start taking the course! Once you are dropped/refunded, you will need to re-register at www.ed2go.com/grccceu

SCECH Approved Course Example:

Title: Teaching Adult Learners (SCECH)

Section: 20150765-1

Course Code: tal

Start Date: March 16, 2016

Price: \$119.00

1. I registered at www.ed2go.com/grccceu
2. There is a Section number listed in my email confirmation (and online)
3. I paid \$119 for the course

Not Approved for SCECHs Example:

Title: Beginning Writer's Workshop

Course Code: bwp

Start Date: April 13, 2016

Price: \$109.00

1. I did NOT register for my course at www.ed2go.com/grccceu. If you register at any other website, GRCC will NOT be able to award you with SCECHs
2. There is NO Section number listed in my email confirmation. All SCECH approved courses are given approval numbers from the State of MI which are found in the Section field.
3. I paid another amount than \$119. Every SCECH course is exactly \$119.
